TWO MORE COUNTRY ACTS ANNOUNCED FOR THE 2010 BROWN COUNTY FAIR AUG 17-22

ABERDEEN, SOUTH DAKOTA – Clay Walker and Kenny Rogers have been announced as additional performers at this year's **BROWN COUNTY FAIR AUG 17-22, 2010**. This event is sure to be the event of the summer!

For more than five decades, **Kenny Rogers** has delivered memorable hit songs, drawing fans among country, rock, pop, and soul audiences. He has also recorded more than 65 albums which have sold over 105 million records worldwide and has charted 24 #1 hits and more than 70 hit singles across various music genres. Rogers is the recipient of three Grammy Awards, 11 People's Choice Awards, 18 American Music Awards, eight Academy of Country Music Awards and five Country Music Association Awards. Keeping things real has been a priority for **Clay Walker**. That may be why on his new album, *TK*, sounds as fresh and hungry as he did when he released his first hit, "What's It To You," 17 years ago. And there have been plenty since. Of his nine previous albums, four are RIAA-certified platinum, two more are certified gold; among nearly three dozen singles, 11 have been No. 1. But Walker sounds like he's just getting started. **Clay Walker will help to get things started as the opening concert at Brown County Fair on Thursday, August 19th.**
